The Honorable Charles Breyer

One through Twenty-Five, inclusive,

Defendants.

Plaintiff Michele Kenny, and Defendants, Regis Corporation, Supercuts, Inc., and Supercuts
Corporate Shops, Inc., appearing through their respective counsel of record, stipulate as follows:

1. This action was commenced on December 7, 2006. On May 4, 2007 this Court
scheduled a hearing for a Motion for Summary Judgment and/or Class Certification on October 5,
2007 at 10:00 a.m. (the "motions"). In order to meet the Court's deadline, the motions must be filed
by August 31, 2007. However, further discovery is needed relating to the above motions.

2. Plaintiff has been conducting discovery relating to the above motions. This discovery
includes a substantial request for production of documents served on Defendants on July 17, 2007. At
this time, Plaintiff is awaiting Defendants' response. Plaintiff has also been negotiating with
Defendants regarding depositions of Regis Corporation personnel regarding the above issues. These
depositions includes a person-most-knowledgeable deposition of Defendant Regis Corporation under
Rule 30(b)(6). All of the above discovery is still in process.

3. Defendants have noticed the deposition of the named plaintiff several times, however,
due to scheduling conflicts, the attorneys have been unavailable.

4. Defendants' counsel is unavailable in the month of September because she has a jury trial scheduled in September.

5. The Plaintiff and the Defendants' counsel have agreed to use best efforts to conduct the depositions in October, 2007.

6. Given that the deposition transcripts and other discovery may not be completed until November, 2007, Plaintiff and Defendants' counsel request the court to move the hearing date and the due dates for the briefing of the motion on or after January, 2008.

9. By entering into this stipulation, Plaintiff and Defendants do not waive any argument, objection, and/or defense to the motion.

Dated: August _____, 2007.
